Godwin had two centres in Sri Lanka, the main centre is located at Nilambe, in the mid-Hills above Kandy. The centre has a number of resident teachers, and a well balanced schedule, including meditation, yoga, and discussions in the evenings. For more information about the centre, see www.nilambe.org. He also had a centre in the suburbs of Kandy, which also offers accomodation and teaching. For information about this centre see [Lewella Bhavana](#).
